

## 2010-11 Club Volleyball Tryout Info (U15-U18)

The coaching staff at Sammamish strongly recommend playing club volleyball during the off season to develop and strengthen their skills, experience a fun and different volleyball team, and play with and against girls their own age from all over the nation!

The Club season runs approx. Dec to May/June, consisting of tournaments on weekends and practice two nights a week. Which tourneys & amount of tourneys played varies in each club. Moxie and BLAZE clubs play mostly local tournaments and try to keep a low cost for players. The others are each unique, but generally include multiple travelling tournaments such as Spokane, Eugene, Las Vegas, Los Angeles, etc. These can be costly, but offer an amazing experience for everyone involved!

Tryouts are starting shortly, so **register ASAP** for your top club choices.
